1. Overview

UpSkill Middle East is launching a premium CFA exam training institute in Jeddah, Saudi Arabia. The program is designed around high-quality instruction and a structured learning framework:

- Weekend classroom training (Friday & Saturday sessions)
- Structured 3-month CFA preparation program
- Integrated learning + assessment ecosystem

To support scalable growth and ensure a seamless student experience, Think Forge Global proposes a complete digital + operational ecosystem covering learning management, business operations, branding, and student acquisition.

2. Scope of Services

A. LMS Portal with Mobile App

A dedicated learning platform tailored for CFA preparation, giving students a structured and analytics-driven study experience.

- Structured course modules & learning paths
- Access to study materials, notes, and question banks
- Mock exams with performance analytics
- Student Q&A and doubt-clearing system
- Progress tracking dashboard

Timeline: 3 Months

Cost: ₹3,00,000

B. ERP & Operations Module

An integrated backend system to manage all business operations efficiently from a single platform.

- HRMS – staff management & payroll basics
- Accounting – basic finance tracking
- CRM – lead tracking & student lifecycle management
- Marketing automation
- Admission & batch management

Timeline: 3 Months

Cost: ₹3,00,000

C. Logo & Branding

- Brand identity design
- Logo creation
- Basic brand guidelines document

Timeline: 2 Weeks

Cost: ₹50,000

D. Website Development

- Conversion-focused website
- Course pages & enrollment funnel
- Integrated lead capture system

Timeline: 2 Weeks

Cost: ₹50,000

E. Social Media Marketing & Lead Generation

End-to-end digital marketing to ensure consistent student intake throughout the year.

- Campaign strategy & content creation
- Paid ad management (Google + Meta)
- Lead generation funnel & retargeting

Management Fee: ₹30,000 / month

Ad Budget (Approx): ₹30,000 / month (at client's discretion)

Contract Duration: 1 Year

3. Business Model & Target Metrics

Batch Structure

Parameter	Detail
Students per Batch	25 (target)
Minimum Occupancy	70% (≈18 students)

Program Duration	3 months per batch
Total Batches / Year	4 batches

Annual Student Projection

Scenario	Students / Year
Minimum (70% occupancy)	72 students
Maximum (100% occupancy)	100 students

4. Value Proposition

Think Forge Global delivers more than technology — we build the complete growth engine for your institute:

- **End-to-end ecosystem** End-to-end ecosystem
- **Scalable infrastructure** Scalable infrastructure for multi-batch and multi-city expansion
- **Data-driven insights** Data-driven student performance tracking and reporting
- **Consistent lead pipeline** Consistent lead pipeline through targeted digital marketing
- **Brand positioning** Premium brand positioning in the Jeddah education market

5. Implementation Timeline

Phase	Deliverables	Timeline
Phase 1	Branding + Website	2 Weeks
Phase 2	LMS + ERP Setup	3 Months
Phase 3	Marketing Launch	Ongoing – 12 Months

6. Investment Summary

Component	Investment
LMS Portal + Mobile App	₹ 3,00,000

ERP & Operations System	₹ 3,00,000
Logo & Branding	₹ 50,000
Website Development	₹ 50,000
Total (One-Time)	₹ 7,00,000

Monthly Retainer (Social Media Management): ₹ 30,000 / month

Ad spend budget is additional and at the client's discretion.

7. Expected Outcomes

- Fully digitized CFA training ecosystem ready for day-one operations
- Minimum 70% batch occupancy achieved consistently across all batches
- Strong and recognisable brand presence in the Jeddah education market
- Scalable system architecture ready for expansion into other certifications and cities
- Continuous student acquisition through an always-on digital marketing engine

8. Closing Note

Think Forge Global is committed to making UpSkill Middle East the leading CFA training provider in Saudi Arabia. By combining premium instruction with a robust digital backbone and a consistent student acquisition engine, we ensure your institute is built to grow — from the first batch to a multi-city franchise.

We look forward to partnering with you on this journey.
